

4.4.1 Corporate Quality Policy

INTECH strives to provide a best-in-class customer experience across its entire portfolio of Automation, Electrical, and Digital Solutions

Everyone in the Company is **accountable** for **fully satisfying** our customers by **meeting** or **exceeding** their known **needs** and **expectations** with best-in-class solutions and services.

Our Quality Policy is defined and strongly driven by the following **management principles** and **behaviours**:

- Build a mutually **profitable relationship** with our customers, ensuring their long-term success, through **understanding of their needs** and those of their customers as well.
- Achieve our commitments for **quality, safety, cost, schedule, legal & other requirements** through **continual improvement** and **innovation**.
