

Corporate Quality Policy

Document Ref: QA-02-01

Revision No: 00

It is **INTECH's** aim to be viewed by our customers as **the best** in Control System Engineering Services and Project Execution.

Everyone in the Company is **accountable** for **fully satisfying** our customers by **meeting** or **exceeding** their known **needs** and **expectations** with best-in-class solutions and services.

Our Quality Policy is defined and strongly driven by the following **management principles** and **behaviors**:

- Build a mutually **profitable relationship** with our customers, ensuring their long-term success, through **understanding of their needs** and those of their customers as well.
- Achieve our commitments for **quality, safety, cost** and **schedule**, through **continual improvement** and **innovation**.
